

Lucky 7's Drill

The RB1 LUCKY 7's Drill is based off one of our current drills but the times and distance have been modified. So here it is:

Name: LUCKY 7's

Weapon: Pistol

Requirements: Tactical Holster or Concealment

Distance From Target (DFT): 7 yards

Round Count: 15

Target: Modified IDPA (See image) *NOTE: The entire head box is in use for this drill.*

Time Standard: 7.77 seconds or better

Accuracy: 100%

The Set Up: Start at the 7-yard line with a 5-round magazine loaded. Have two 5-round magazines on the belt. On the buzzer, draw and fire 5-rounds to the head. Reload, and fire 5-rounds to the body. Reload, and fire 5-rounds to the pelvis.
