

PISTOL SHOOTING STANDARDS

Preamble: The following shooting standards have been designed to prepare students for advanced combat training with Redback One. These standards will serve as Go/No Go for enrollment to RB1 advanced combat training. Students should strive for 100% speed and accuracy, however the entry standard will be 80%. These standards will be conducted 'Cold and on Demand' on day 1 of all RB1 Advanced Combat Training. Failure to meet these standards may result in removal from the course.

THESE SHOOTING STANDARDS ARE PROPRIETARY PROPERTY USED FOR RB1 TRAINING PURPOSES.

(If you wish to share these standards, please ensure that RB1 is given appropriate recognition for its design.)

Instructions for shooting the RB1 Pistol Standards.

1. All strings are shot from the ready positions detailed in each serial.
2. Distance: as per requirements detailed in each serial.
3. Target: RB1 silhouette (preferred, see picture below for options).
4. Scoring zones: head box, 8" chest circle & 7" pelvis circle/square
5. Total score possible: 65 points
